ADDENDUM NO. 3
REQUEST FOR QUALIFICATIONS (RFQ #2026-007)
HISTORIC RESOURCE SURVEY
CITY OF MERCEDES, TEXAS

TO ALL PROSPECTIVE PROPONENTS:

This Addendum No. 3 forms a part of the RFP #2026-007 (Historic Resource Survey) and modifies, clarifies, and/or supplements the original RFP specifications posted on October 7, 2026.

Proponents shall acknowledge receipt of this Addendum No. 3 in their proposal submittal.

RESPONSES TO VENDOR QUESTIONS:

The following subsection hereby **clarifies questions** to the RFP specifications:

Kirk Huffaker Preservation Strategies –

1. **Could you clarify the requirement in Section 4.B.3.b requesting examples of survey or similar work completed in the Rio Grande Valley? Is this experience mandatory for eligibility, or would comparable projects completed outside the region satisfy this requirement?**
   Local experience is not mandatory and similar work conducted in the State of Texas can be submitted to fulfill the requirement of 3B. However, this will be part of the scoring criteria and firms who have completed exemplary reconnaissance- level surveys in the area will be scored higher.
